To Complete This Record Book:

1. Decide if you are a junior, intermediate, or senior exhibitor (using the following table):

Junior - ages 8 to 12 years old as of October 27, 2022

Intermediate - ages 13 to 15 years old.

Senior - ages 16 and older

2. You must complete **all pages in your own handwriting**. Your book will not be considered complete (and you will not be able to show) if all sections are not filled out. Make sure you include your project story, pictures (minimum of 4 pictures, maximum of 8 pictures). You may affix the beginning and ending weigh-in forms to the designated page. Receipts for feed and show supplies may be attached at the back of this book.

3. All animal projects are contained in the same book. Example: if you are raising 2 hogs, 2 beef heifers and a goat, they all go **in the same book**.

4. This book is due to the Livestock office in the steer barn no later than **ONE HOUR** following the close of the scales for the ending weigh-in/check-in on **THURSDAY, OCTOBER 27, 2022**.

5. Record book awards will be as follows:

1st, 2nd, and 3rd place Junior Record Book

1st, 2nd, and 3rd place Intermediate Record Book

1st, 2nd, and 3rd place Senior Record Book

Youth Animal Project Agreement

(To be completed at the beginning of project)

The youth participant is responsible for caring for the animal, which will include feeding, deworming, providing fresh clean water, and providing a pen, washing, and showing. The youth will use this project as an educational tool to learn skills needed in the livestock industry. This project will also help the youth to accept success and failure as a learning experience. The youth will keep accurate records on their project animal(s).

I accept these responsibilities.

Purpose

The purpose of a livestock project is to achieve the following:

- To acquire an understanding of the animal industry by preparing for, purchasing, caring for and keeping records on one or more head of animals.
- To be able to identify the types and breeds of animals and use efficient methods of production and marketing.
- To understand the business aspects and economics of purchasing animals, feed, facilities, and equipment for an animal project.
- To develop integrity, sportsmanship, and cooperation.

Goals and Achievements for this Project

Juniors - choose 3 goals

Intermediates - choose 4 goals

Seniors - choose 6 goals

Choose the appropriate number of goals for your projects. Goals should be established at the beginning of your project. They should be challenging, yet able to accomplish. Goals should include all aspects of your project. At the end of the project, the achievements should be compared with your goals. Check off what you planned to do or write your own in the space provided. Then have your leader or advisor initial and date the goals that you have achieved.

What I Plan to do:	Goal	Date Achieved	Leader/Advisor Initials	Comments
	Raise my animal(s) to completion and exhibit at the county fair.			
	Exhibit my animal(s) at other fairs.			
	Attempt to make a profit on my animals when sold at market price.			
	Have my animal meet the industry standards for the ideal market animal.			
	Take full responsibility for grooming and showing my animal.			
	Complete my record book to the best of my abilities.			
	Achieve a target weight of _____ for my animal.			
	Learn how to groom and clip my project animal.			
	Complete FFA Proficiency Award Application (FFA members only).			
	Market my animal to 3 potential buyers.			
	Other (list)
