

# BELLAMY BEAVER SAYS

## Help the water flow, America!

Water follows a cycle: falls from the sky, goes into the ground, and evaporates back into the sky to start all over. But, after it goes into the ground, sometimes we pump it back up to use for all sorts of things.

# FLORIDA GATEWAY FAIR

## Turn off the tap, America

The water that comes out of your faucet at home comes from underground. To keep water available, we have to conserve.
