Youth Animal Project Agreement

(To be completed at the beginning of project)

The youth participant is responsible for caring for the animal, which will include feeding, de- worming, providing fresh clean water, and providing a pen, washing, and showing. The youth will use this project as an educational tool to learn skills needed in the livestock industry. This project will also help the youth to accept success and failure as a learning experience. The youth will keep accurate records on their project animal(s).

I accept these responsibilities.

Purpose

The purpose of a livestock project is to achieve the following:

- To acquire an understanding of the animal industry by preparing for, purchasing, caring for and keeping records on one or more head of animals.
- To be able to identify the types and breed of animals and use efficient methods of producing and marketing livestock.
- To develop integrity, sportsmanship, and cooperation between myself and my fellow exhibitors during the Florida Gateway Fair.
- To promote agriculture to the patrons that attend the fair.

Goals and Achievements for this Project

Intermediate - Choose 6 goals – 6 points will be awarded. *Additional points may be earned if additional goals and achievements are selected and achieved.*

What I Plan to do:	Goal	Date Achieved	Leader/Advisor Initials	Comments
	Raise my animal(s) to completion and exhibit at the county fair.			
	Exhibit my animal(s) at other fairs.			
	Attempt to make a profit on my animals when sold at market price.			
	Have my animal meet the industry standards for the ideal market animal.			
	Take <u>full</u> responsibility for grooming and showing my animal.			
	Complete my record book to the best of my abilities.			
	Achieve a target weight of _____ for my animal.			
	Learn how to groom and clip my project animal.			
	Market my animal to 3 potential buyers. List the buyers you spoke with concerning your animal and the date you made the visit.			
	Buyer 1. _____ Date: _____ Buyer 2. _____ Date: _____ Buyer 3. _____ Date: _____			
	Complete FFA Feeder Steer/Swine Proficiency application			
	Other (list)			

Choose the appropriate number of goals and established at the beginning of your project. They should be challenging and cover all aspects of your project. At the end of the project, the achievements should be compared with your goals. Check off your reached goals and have your leader or Advisor initial and date in the appropriate box.

**** Must have 3 buyers to receive full credit****
